All abstracts for the 2021 Annual Meeting must be submitted electronically via the official abstract submission website. To submit an abstract, please visit <http://meeting.neaua.org/>.

RULES FOR SUBMISSION OF ABSTRACTS

1. Abstracts are to be submitted via the official electronic abstract submission website and should be limited to 500 words in length. You must have a minimum of 50 words in the abstract text. There will be a 25-word count penalty for each table and 25-word count penalty for each graph you include in your abstract.
2. Abstract Format: Introduction Materials & Methods Results Conclusions
3. The abstract text **MUST NOT** identify either the authors or institutions from which the work originated. There will be a separate area online in which to indicate all authors, including the presenting author.
4. Disclosure information must be provided for each author listed in the author block.
5. Email addresses must be provided for each author listed in the author block.
6. Indicate whether the abstract you are submitting has been previously presented. If yes, please provide detail of this presentation (i.e. location, date, etc.).

7. All abstracts must be completely submitted, and all edits must be made by Sunday, April 11, 2021 @ 11:59 pm (EST). Submissions and edits are automatically saved; there is no “submit” button. You will not be able to make edits to your abstract after the posted deadline. Faxes and hardcopy abstracts will not be accepted.

8. Authors may submit as many abstracts as they wish for consideration, but selected individuals may deliver a maximum of two (2) oral or poster presentations. In the event that more than two (2) abstracts from an author are accepted for oral presentation additional selected abstracts must be presented by a co-author. We encourage you to become part of this educational program.

The Program Committee for the Section will review all abstracts in a blinded format at the Program Committee Meeting. At that time, they will make their final selections for the 2021 Scientific Program. The presenting author of each abstract will be notified of the decision via email by late May/early June.
